then and there unlawfully commit the following crimes:

MURDER IN THE FIRST DEGREE WITH A FIREARM
COUNT I

On or about the 26th day of October in the year of Two Thousand Eighteen, in

premediated intent to cause the death of said **Anthony Williams**, and during the

and (2)(d), 777.011, and 775.087(1) of the Florida Statutes (L10).

MURDER IN THE FIRST DEGREE WITH A FIREARM
COUNT II

On or about the 26th day of October in the year of Two Thousand Eighteen, in the County of Broward, State of Florida, **JAMELL DEMONS and CORTLEN HENRY**, did then and there unlawfully and feloniously, while acting as principals, kill and murder **Christopher Thomas, Jr.**, a human being, by shooting him with a firearm with a premeditated intent to cause the death of said **Christopher Thomas, Jr.**, and during the course thereof **JAMELL DEMONS** did actually possess and discharge a firearm and as a result death was inflicted on **Christopher Thomas, Jr.**, contrary to Sections 782.04(1)(a)(1) and (2)(d), 777.011, and 775.087(1) of the Florida Statutes (L10).

PROBABLE CAUSE:

The facts are as follows:

On 10/26/18 at 04:35 am, Cortlen Henry entered the Emergency Room at Memorial Miramar (1701 SW 172nd Ave) requesting assistance for the two passengers in his vehicle (2018 Jeep Compass with FL Reg #1EKD22) as they were shot multiple times. Officer Amengor (Miramar PD), who was working the security detail, exited the hospital and made contact with the aforementioned vehicle that was stopped in the loading zone on the north side Memorial Miramar Hospital, ER entrance. Amengor requested medical staff in the removing of the two passengers. Both passengers were unresponsive and exhibited multiple gunshot wounds. The aforementioned vehicle transporting both victims also sustained a minimum of 8 projectile entry points on the right side exterior and 1 visible projectile entry point to the rear lift gate.

The front right passenger, Anthony Williams, sustained gunshot wounds to his torso and head, while the right rear passenger, Christopher Thomas Jr., sustained several gunshot wounds to his back and head. Both passengers on the right side of the vehicle were pronounced deceased by medical staff at Memorial Miramar.

Henry was questioned by this affiant, according to him he departed a recording studio in Fort Lauderdale with the two victims in his vehicle. Henry stated he drove on I-595 to I-75 and exited at Miramar Pkwy heading west. Henry stated that just past SW 160th Ave (Dykes Rd), a vehicle pulled next to him and started shooting. Henry

immediately lowered his body position to the floorboards in a protective posture to avoid being shot. Henry added that when he sat up-right his friends, Williams and Thomas, were shot and he immediately proceeded to the nearest hospital. Det. Toyota later drove with Henry to have him identify the specific location of where the shooting occurred. Henry pointed out the 16100 Block of Miramar Pkwy. It should be noted, the area was shut down between and 160th Ave and 172nd Ave on Miramar Pkwy and was closely examined for any evidence to corroborate the statements made by Henry. After a long and exhausting examination no evidence was found. The detectives and officers walked the twelve blocks out on foot. It should be noted, not a single report of gun shots was reported to Broward County Communication Center, nor Miami-Dade as well. It should be noted that the area between 172nd Ave and 184th Ave was closed down on 10/29/2018 and canvassed on foot by detectives and officers. No corroborating evidence was found.

Henry's hands were processed by Miramar Police Department Crime Scene Technician Michael Kelly first by submission for laboratory testing with Tri-Tech Gunshot Residue Evidence collection kit, and then with a presumptive gunshot residue test. The presumptive gunshot residue test was negative. Lab results are pending the Tri-Tech gunshot residue evidence collection.

On 10/26/2018, this affiant along with Det. Toyota made contact with Dontavius Withers, who initially identified himself as Dontavius Williams, at 18521 SW 44th St. This is the last known residence of the victims. According to Withers, they (Withers, Henry, Demons, Thomas, Williams and a few others) were at a recording studio in Fort Lauderdale and all left together in two separate vehicles. Withers stated he arrived a little ahead of the victims at the aforementioned residence. Withers stated it wasn't until later that he found out his friends were shot. Withers said that Demons was in his vehicle (a red Mitsubishi) and the grey Jeep was occupied by Henry, Williams and Thomas. Withers was asked if he knew the location of Demons and he stated he did not. However, it was later discovered that Withers was lying to this affiant as he (Withers) had just come from the residence of Fredrick Givens (aka Fredo Bang) and had been in the presence of Demons.

The location of the recording studio was identified as 805 NE 4th Ave in Fort Lauderdale (New Era Recording Studio). Detectives Toyota and Bertrand made contact with management on 10/26/2018. The manager of the studio, Albert Price, confirmed the victims were at the recording studio, along with Jamell Demons and Cortlen Henry. The manager provided Toyota and Bertrand access to the studio's security cameras. Video evidence shows on 10/26/2018 the aforementioned gray Jeep

departed the New Era Sound Studio located at 805 NE 4th Ave in Fort Lauderdale, FL at 03:20 hrs. (Video was behind one hour) on 10/26/2018. The driver was identified as Cortlen Henry, the left rear passenger as Jamell Demons, the right front passenger was Anthony Williams, and the right rear passenger as Christopher Thomas Jr. It should be noted that Demons had a light brown satchel hanging down on the left side of his body. The satchel appeared to be weighted down but the contents were unknown. When Christopher Thomas Jr. departed the studio, he was carrying a black satchel in his left hand. That satchel also appeared to be weighted down as well. The grey Jeep with the above listed individuals (Demons, Henry, Williams and Thomas) departed the area. The red Mitsubishi, being driven by Withers and occupied by Adrian Davis and two other individuals, followed behind.

As stated earlier, Withers said he proceed directly to his residence in Miramar (18521 SW 44th St, Miramar). This was confirmed by the security cameras at the gate house to Sunset Lakes located in the 3500 block of 184th Ave as he arrived at 03:49 hrs. The video surveillance cameras at 17001 Miramar Pkwy, captured the red Mitsubishi and a dark SUV passing SW 172nd Ave at 03:46 hrs. This is consistent with the arrival of the red Mitsubishi at the security gates to Sunset Lakes at 03:49 hrs. Withers had to stop and be identified to enter the residence by the security guards as observed on video.

On 10/26/2018, a search warrant was issued in this case for the vehicle driven by Henry and occupied with Thomas, Williams, and Demons. The vehicle was maintained in secured storage at the Miramar PD West Sub Station. The vehicle is owned by Enterprise Car Rental and rented by the manager of Demons, Jameson Francois. The evidence was processed by CSIs Carter and Carroll. The vehicle had 8 visible projectile holes on the right side of the vehicle (3 on the front right passenger door and 5 on the right rear passenger door). There was also a projectile hole on the rear lift gate. The vehicle also had visible damage to the interior of the vehicle from projectiles entering from the outside to the inside of the vehicle. A significant amount of blood was on the inside passenger side of the vehicle (front and back). All the projectiles entering the vehicle were concentrated to the right side of the vehicle (Passenger Side). All the evidence was collected and placed into evidence. It should be noted that one (1) single .40 caliber shell casing (Blazer S&W) was found inside of the vehicle on the floor board of the left rear passenger side. It was found inside a white plastic bag, on the floor board. This was the seat that was utilized by Demons as observed on video. This single shell casing also contradicts statements made by Henry stating this incident was a drive-by shooting. This supports the evidence that the

victims were shot inside the car first and the projectile holes on the exterior was later staged in an effort to misdirect law enforcements investigation.

On 10/27/2018, this affiant made contact with Withers in Vero Beach. After confronting Withers with the video evidence; he (Withers) then changed his story. Withers added Demons was in the grey Jeep initially, but along the way he got out of the Jeep and entered his Red Mitsubishi. Withers stated this occurred on I-75 near the Sheridan Street exit. Withers stated he was contacted by Demons via "Snapchat" to pull over on I-75 and meet up.

A search warrant was obtained on the cell phones/cell sites used by Demons, Withers, Williams, and Thomas. Cell phone mapping showed Demons, Thomas, and Williams were together and Withers followed behind them. It was determined that Withers did proceed to the residence at 18521 SW 44th St and arrived at said location around 03:49 a.m. This was also confirmed by the video at the gate to Sunset Lakes. These records also showed a continuous route from the studio to the residence without a stop or delay in between.

The cell site warrant for the cell phones of Demons, Thomas, and Williams revealed they traveled west on Miramar Pkwy, but turned north on SW 184th Ave towards Pines Blvd and then turned west on Pines Blvd. Video evidence shows the grey Jeep Compass traveling west in the 19200 Block at 03:53 hrs. and returned east bound at 04:06 hrs. Cell site data from Demon's cell phone corresponded with the actual crime scene location, which is within the jurisdictional limits of Miramar, Broward County, Florida. Williams cell phone also registered at the same location as Demons. The cell phone for Thomas registered on a cell tower near the crime scene, but separate and apart from the false reported "drive-by" location. This evidence contradicts statements made by Henry at the hospital as it shows a different path traveled. These records also don't show Demons meeting up with Withers and proceeding home with him.

T-Mobile cell phone records (CDR) also show that Demons was traveling from Fort Lauderdale in a western direction starting at 03:20 hours, until the time of the shooting on 10/26/2018. This was consistent with video evidence obtained in this case. The records then show Demons traveling back in an eastern direction, with the location of the crime scene being in the path of travel. It should be noted that the original crime scene identified by Henry was a false location. This investigation revealed that Henry intentionally lied to this investigator and others to deceive and mislead the investigation in an attempt to hide the incriminating truth pertaining the

homicides of Thomas and Williams. These same cell phone records show the cell phones of Demons and Williams moving around the area west of I-75 in Pembroke Pines at 04:25hrs., prior to entering the hospital at 04:35 hrs. The records of Demons also indicate a departure from the vehicle at 04:32 hrs. Video evidence shows Henry arriving at the hospital with Thomas and Williams but without Demons. According to the CDR of Demons' cell phone, he separated from the cell phone belonging to Williams around 4:32 hrs. This was according to the records provided by T-Mobile via a search warrant issued in reference to this case. Evidence shows that Henry and Demons drove around for a period of time with the two dead victims in their vehicle prior to entering the hospital. This was in a calculated effort to establish their version of the incident in an attempt to deceive law enforcement.

Video evidence obtained from the hospital shows Henry had changed his clothes. When he (Henry) departed the studio, he was wearing a black t-shirt, but at the hospital he was wearing a black hoodie. The black hoodie was later examined and no forensic evidence was noted, however, the black t-shirt worn under the hoodie by Henry had a blood stain pattern on it, both front and back.

On 11/21/2018, Officer D. Gowans of the Fort Lauderdale K9 unit with, K-9 "Gunner" was requested to assist in searching the area identified as suspect crime scene from the phone records, within the jurisdiction of Miramar, Broward County, Florida. The K-9 showed reaction to an area on the side of the road, approximately 870 feet from the nearest north/south running cross street. A closer examination revealed a total of (8) .40 cal Blazer S&W shell casings on the ground next to the roadway in the shoulder. Two different types of shards of glass were found in close proximity of the shell casings. The first type of glass was a clear glass consistent with the front right passenger window of the vehicle and the second type was a tinted glass consistent with the right rear passenger side window of the aforementioned vehicle. This crime scene was processed by CSI Currie. The casings were sent to the BSO crime lab for comparison and evaluation. A closer examination of the newly discovered crime scene revealed the vehicle was stopped at this location and weapon(s) were discharged into the vehicle. The vehicle made a U-Turn and fled the area. The other side of the road also had shards of glass consistent with the passenger windows of the vehicle. This was also a contradiction to the statement made by Henry on the morning of the shooting at the hospital to this affiant. This was clearly not a drive-by shooting and no other vehicle pulled next to them and started shooting as stated by Henry. This clearly shows a pattern of deceitfulness by Henry all in an effort to mislead this investigation.

On 11/26/2018, another search warrant was obtained for the 2018 Jeep Compass previously mentioned. This vehicle was maintained in secured storage at the Miramar PD West Sub-Station. CSIs Michael Kelly and Carroll conducted a trajectory analysis, using rods and string, to determine flight path of the projectiles. According to their analysis, one of the projectiles entered the vehicle and struck the opposite side of the vehicle in a manner inconsistent with the vehicle being in motion. The trajectory analysis determined the flight path of 8 projectiles had entered from the rear lift gate area and 8 bullet flight paths had entered from the right passenger side.

On 12/05/2018, I received the autopsy report for Williams. It stated the wound path on the neck of Williams was from back to front, left to right and upward. This was in contradiction to what was stated that a drive-by occurred on right side of the vehicle, while in motion. Williams also has a gunshot wound to his right shoulder and his chest. It should be noted, none of the flight paths from the exterior of the vehicle, matched the wound path on the rear of Williams' head. It was obvious the projectile entered from the left rear side of the vehicle.

On 12/14/2018, Dr. R. McDougall (Asst. Medical Examiner-Broward County) examined the grey Jeep, that was occupied by all parties involved at the time of the homicide. This vehicle was maintained in secured storage since the incident.

On 01/11/2019, I received confirmation from the Medical Examiner's office that the entry wound on the left side of Thomas' face was an intermediate wound. It should be noted there was a 3cm stippling pattern around the entry wound. This was also in contradiction to what Henry stated to this affiant at the hospital when he attempted to mislead this affiant into believing this was a drive by shooting. This evidence shows, the initial lethal shot occurred from inside the vehicle and was initiated from the left rear passenger side. The same position occupied by Demons. An intermediate wound by definition, would indicate a distance of 3 inches to 3 feet between the victim and weapon, however due to a 3cm stippling pattern the weapon was in a close proximity to Thomas' head. The gunshot wounds to the back of Thomas also indicates those wounds were inflicted after he was shot in the head, as the projectiles entered Thomas' back when he was leaning to the left. Evidence from the autopsy revealed that both victims' wound paths to their heads were from a left to right direction. This directly contradicts the statements made by Henry and does not support the statements of a drive-by shooting that occurred on the right side of the vehicle.

The single shell casing that recovered from inside the vehicle on 10/26/2018

by CSI was sent to the BSO Lab for comparison analysis. This shell casing was compared to the shell casings that was recovered from the crime scene on Pembroke Road on 11/21/2018. The same scene was initially hidden from investigators. BSO lab concluded the single casing was a match to the casings recovered outside the vehicle. This also contradicts statements made to this affiant of this being a drive-by shooting. This evidence also shows that Thomas and Williams were shot inside the vehicle and the surviving occupants (Henry and Demons) exited the vehicle and then intentionally shot into the vehicle from the exterior.

A Search Warrant was requested for the Snap Chat Account of Demons. The warrant was reviewed and later approved by Judge Orlando. The direct messaging of the Snap Chat account of Demons revealed he was communicating with his girlfriend (Mariah Hamilton) on 11/09/2018 (Just 14 days after the homicide) and he stated, "Dis nigga saved my life he koming everywhere wit me kuz if dem crackers come grab him it's my fault u forgot???" "I keep Bortlen wit kuz at da end of the day he did one of a realist shit in my life." These are interesting statements as they are referencing Demons loyalty and association with Henry. They also suggest that Henry was loyal to him because he is the one who drove the bodies to the hospital and dealt with law enforcement. These statements also support the believe by law enforcement that Demons is the shooter and the evidence leads back to him and any further cooperation by Henry would be damaging to Demons. This warrant also reveals there was no communication between Demons and Withers on 10/26/2018 as previously stated to law enforcement by Withers.

On 12/04/2018, Demons in an effort to promote his music career released a documentary on YouTube. Throughout the 21-minute documentary, Demons glorified his use and possession of firearms. Demons stated he's been carrying a gun since he was in fourth grade. This is also consistent with statements obtained during this investigation, regarding Demons always in possession of a firearm. At the end of the documentary, the final screen displays these words: Four days after the completion of this film, YNW Melly and his friends were targets of a drive-by shooting in Miami, Florida. This is significant as it also places Demons at the scene of the crime in the vehicle with Henry, Thomas and Williams.

In summary, the following information supports the finding of probable cause; including but not limited to; false statements made by Henry at the hospital; false statements made by witnesses and involved others to intentionally mislead this investigation; Demons fleeing the area, not cooperating, and refusing to give a statement; and the manager of Demons, (Jameson Francois) intentionally misleading

this investigator, giving false statements, stating he doesn't know where his client is presently located (It was later discovered that Francois was in communication with Demons and even drove him out of the area after the shooting). It was later determined by cell phone records, that Demons and Williams were in the location determined to be the actual crime scene, which is isolated from individuals passing-by and potential witnesses to murder. Cell phone evidence indicated that Demons was dropped off prior to Henry arriving at the hospital. The autopsy report shows the wound path for both victims' head wounds was from a left to right direction. Shell casing inside the vehicle matched the casings on the outside of the vehicle. Evidence shows, Williams and Thomas were shot inside the vehicle and the rounds came from the left rear passenger side of the vehicle, subsequently occupied by Demons. The crime scene was intentionally staged to appear the vehicle (Grey Jeep Compass) was involved in a drive-by shooting. Video evidence shows Henry changed his clothes but the original shirt worn by Henry had a blood stain pattern on it. In an interview with the mother and girlfriend of Demons, both stated that, after the shooting Demons called them via "FaceTime" and stated he was a victim of a drive by shooting and his two friends were killed, thus placing him at the scene at the time of the incident. The mother of Demon's girlfriend also stated when she witnessed the "Facetime" call it appeared Demons was outside and hiding, waiting to be picked up. This is also consistent with the cell records of Demons. It should be noted that Demons was in possession of his phone before the incident, during the incident and after the incident. This was also corroborated by the cell phone records obtained in this case.
